

For Chippers and Putters Only

HOW TO DOODLE!

(OR HOW TO SIGN UP FOR GOLF TIMES AND REPORTING YOUR SCORES!)

We are using an interactive computer program for signing up for tee times. It's called Doodle, and it's fun and easy. And, do not panic if you do not have internet access. You can always call your captain. So, let's get started.

Once a week, hopefully by Wednesday noon, you will log onto the HHWGL.ca web site. All notices, scheduling and scoring will be done via the web site. Click on the scheduling link, and you will get to the scheduling page. There will be a "note" from your captain telling you where we are playing that week, the weekly challenge, and/or any other pertinent information. You will see a graph of tee times. Enter your **full** name, not just your first name, as there are duplicate names in the league. Then click on the time slot you want. Then, and this is critically important, you **MUST** save your choice by clicking on **SEND** in the lower right corner of the page. **If you do not do this, your choice will not be saved, and you will not be scheduled!** You can go back to Doodle any time during the week to edit your choice, or delete if. We will take down the schedule by 11 a.m. on Tuesday to send the schedule to the golf course. **After that, if you need to make changes, you must call the course directly and tell them you are not coming. It is only common courtesy.**

Chippers After Five players, please note the delineation of times in the schedule.

Now for scoring. After you play on Tuesday, go back to the web site, click on Results, and enter your full name, score, and any other scoring. You do not have to save it...it is interactive.

That's it!

Of course, only four people are allowed to sign up for one time slot. The program will not allow you to sign up a fifth. And, if you are on holiday, you can sign up from anywhere in the world, as long as you have internet access.
